

MAISA BABAYEVA

Baku, Azerbaijan

(+994) 55 553 56 99 | mbabayeva18079@ada.edu.az | <https://www.linkedin.com/in/bmaisa>

EDUCATION

ADA University

Bachelor of Science in Computer Science

GPA: 3.94/4.0

Baku, Azerbaijan

Expected May 2027

- **Selected coursework:** Probability & Statistics, Linear Algebra, Data Structures & Algorithms, Machine Learning, Database Systems, Discrete Structures, Artificial Intelligence

Physics, Mathematics, and Informatics Lyceum

State Exam Score: 649.8/700

Baku, Azerbaijan

June, 2022

- Republic Subject Olympiad – 3rd place, Bronze Medal

EXPERIENCE

ADA University

Baku, Azerbaijan

Peer Tutor in Calculus I

February – May 2025, February – May 2026

- Assisted 80+ students across two semesters in mastering core concepts such as limits, derivatives, and integrals.
- Conducted one-on-one and group tutoring sessions to clarify complex mathematical problems.
- Reinforced lecture materials through customized explanations and guided practice exercises.

Teaching Assistant in Programming Principles I

October – December 2025

- Led weekly problem-solving and support sessions to reinforce core programming concepts and introductory algorithmic thinking.
- Proctored quizzes and examinations, ensuring adherence to academic integrity and standardized assessment procedures.

Teaching Assistant in Calculus I

January – May 2025

- Graded Calculus I exam papers, providing clear feedback to help students understand their strengths and areas for improvement.
- Proctored exams for classes of up to 50 students, maintaining a secure and organized testing environment.
- Facilitated post-exam review sessions, helping students analyze their mistakes and deepen their understanding of key concepts.

TRAININGS & COURSES

Digital Azerbaijan Talent School

Baku, Azerbaijan

Girls in IT: Mathematical Foundations of Computer Science

September – November 2024

- Completed training in mathematical foundations of computer science, including problem-solving and algorithmic thinking workshops.

Harvard Business School

Online

Aspire Leaders Program

August – November 2024

- Completed a leadership development program by Harvard Business School focused on personal growth, leadership, and global collaboration.

Codenext Innovation School

Baku, Azerbaijan

Data Science & Machine Learning

May – August 2024

- Awarded a 100% scholarship from Technest and IDDA for outstanding academic performance and potential in the field.
- Utilized Python and relevant libraries to complete hands-on coding exercises and assignments.

ACTIVITIES & AWARDS

- **Dean's List of Distinction – ADA University**, Spring 2025 and Fall 2025
Awarded to students ranking among the top academic performers in their cohort (top percentile based on GPA).
- [ABB Startup Challenge – ABB Innovation](#), July 2025

Selected for the pre-incubation stage with a proposed startup solution as part of the national innovation program organized by ABB.

- [Pasha Hackathon 5.0 – Pasha Holding](#), May 2025
Finalist in a 48-hour innovation challenge; collaborated in a multidisciplinary team to design a tech-driven solution to a real-world business problem.
- **Data Science – Digital LevelUp**, April 2025
Completed an intensive data science program focused on real-world applications of Python, statistics, and machine learning using project-based learning and case studies.
- [List of High Performance – ADA University](#), Fall 2024
Awarded to students demonstrating outstanding academic performance and ranking among the top students in their cohort.
- [Lotfi A. Zadeh List of Honor Scholarship – ADA University](#), Spring 2024
Received for achieving a perfect 4.0 GPA during the semester, recognizing exceptional academic excellence in a rigorous course load.
- [Data Science & Machine Learning – Technest Scholarship](#), May – August 2024
Completed a competitive, government-funded program focused on practical skills in data analysis and machine learning using Python and SQL.

ADDITIONAL INFORMATION

Languages: Azerbaijani (native); English (fluent)

Technical Skills: Python (NumPy, Pandas, Matplotlib, scikit-learn), SQL, C/C++, Data cleaning, Data Visualization, Statistical Analysis, VS Code, Jupyter Notebook, Git, EDA, Algorithms & Data Structures, Excel

Soft Skills: Analytical Thinking, Problem Solving, Communication, Teamwork, Leadership & Mentorship, Time Management, Attention to Detail, Adaptability
